NOON NISWA

WOMEN EMPOWERMENT-AWARENESS POSTERS

The patriarchal culture has kept women in subordinate positions in all the spheres of life, from political decision making spheres to family circles. Empowering women and raising awareness of women and men on women's rights contributes to limiting the power of gender stereotypes that prevent women from participating fully in the social, professional and public life and deprives them from their full citizenship. Women Development cell of our College introduced a new programme, One day One quote about Women empowerment under feminine fest, Noon Niswa.
